PROFILE

Skilled Software Developer with over 1 year of experience in web application and API development using ASP.NET Core MVC, .NET, SQL Server, and related technologies. Proficient in developing RESTful APIs, optimizing SQL queries, and managing complex data models with relational databases. Adept at delivering dynamic, interactive front-end features using Angular and Razor Views. Demonstrated ability to collaborate with cross-functional teams to deliver high-quality solutions, A fast learner with strong communication skills, ready to contribute innovative solutions to challenging problems.

PROFESSIONAL EXPERIENCE

Junior Software Developer

07/2024 – present | Ahmedabad

Denali Software solutions

- Contributed to three major projects, working extensively on both frontend (Angular, Razor Views) and backend (ASP.NET Core MVC, Web API) development.
- Optimized SQL queries and implemented stored procedures, improving application performance
- Developed secure role-based access control systems using ASP.NET Core MVC and Web API, ensuring seamless integration between modules.
- Designed and implemented dynamic, interactive front-end features using Angular and Razor Views, enhancing user experience by reducing response times.
- Collaborated in an Agile framework, actively participating in sprints and retrospectives to ensure timely delivery of sprint goals.
- Provided valuable feedback to refine development processes, fostering continuous improvement.

Software intern

01/2024 – 06/2024 | Ahmedabad

Denali Software solutions

- Built dynamic web applications using ASP.NET Core MVC and .NET.
- Contributed to the development of RESTful APIs, improving integration with third-party services.

EDUCATION

Information Technology

06/2020 – 06/2024 | Ahmedabad

Adani University

CGPA-8.39

Class XII

03/2020 | Ahmedabad

Gurukrupa Vidhayala

percentage 61

Class X

03/2018

Seventhday adventist higher secondary school

Percentage-85
